Ship 1612 Uniform Embroidery Specifications

- Text:** SEA SCOUTS BSA
- Size:** 5/16-inch block letters
- Color:** Black thread on all uniforms except the navy blue (black) uniforms, which utilize white thread
- Position:** 3/8 of an inch above the pocket seam measured to the bottom of the letters
- Note:** Some dress uniforms do not have a right pocket. In this case the placement of the SEA SCOUTS BSA is approximately 3/8 of an inch above where the top of the pocket would be if it were there (use the left pocket top as a guide).
