DISCOVER YOUR FUTURE

Women in Aviation International is a nonprofit organization dedicated to the encouragement and advancement of women in all aviation career fields and interests. Our diverse membership includes astronauts, corporate pilots, maintenance technicians, air traffic controllers, business owners, educators, journalists, flight attendants, high school and university students, air show performers, airport managers and many others.

A MESSAGE FROM WAI

Women in Aviation International (wai.org) enthusiastically teams with Aviation Exploring to accomplish our shared mission of introducing young people to aviation both as a career and as a lifestyle. Through the network of Aviation Explorer posts and clubs and WAI's own ongoing Girls in Aviation Day events, we are working hard together to ensure a robust aviation community now and in the future.

SUPPORT

SUPPORT

Women in Aviation International recognizes Exploring as mutually beneficial program to both its own members and to the youth who are the future workforce of America.

GROWTH

It is the purpose of WAI to bolster the ranks of young people choosing aviation careers, so the United States can maintain a viable domestic aviation industry, and maintain its preeminent position as the world leader in aviation technology and training.
