Thank you for your continued support of the 2020 National Law Enforcement Exploring Conference Experience. We wanted to provide you with an update as it relates to the upcoming conference & COVID-19. Please feel free to share this message with your Posts Advisors, Explorers, and their families. Thank you.

COVID-19 Update from Learning for Life & Exploring:

As we continue to follow updates concerning COVID-19, your safety and the safety of all our members, volunteers, and employees of Learning for Life & Exploring is a top priority. Specifically, as it relates to the 2020 National Law Enforcement Exploring Conference (NLEEC) that is scheduled for July 13-17th, it is not currently affecting our timeline to be able to facilitate this historical event. We will continue to monitor all messaging received from our government and local communities. Registration for the conference remains open and we will continue to encourage all Law Enforcement Exploring Posts to attend. If there are any concerns that may affect the delivery of the 2020 NLEEC we will be sure to update everyone as soon as possible. Thank you understanding and all that you do for Exploring!!
