

**ACTIVITY 1  
CAREER CLUSTER RESEARCH**

Visit [www.careertech.org/career-clusters](http://www.careertech.org/career-clusters).

Use the Career Cluster Frame on each cluster's page to find information for the chart below, including:

- Career options—possible careers within a cluster
- Pathway—academic preparation needed

Identify at least two clusters that you would like to know more about.

| CLUSTER   | CAREER OPTIONS | PATHWAY | For me?<br>Yes/No |
|---|----------------|---------|-------------------|
| Agriculture, Food, and Natural Resources          |                |         |                   |
| Architecture and Construction                     |                |         |                   |
| Arts, A/V Technology, and Communications          |                |         |                   |
| Business Management and Administration            |                |         |                   |
| Education and Training                            |                |         |                   |
| Finance   |                |         |                   |
| Government and Public Administration              |                |         |                   |
| Health Science                                    |                |         |                   |
| Hospitality and Tourism                           |                |         |                   |
| Human Services                                    |                |         |                   |
| Information Technology                            |                |         |                   |
| Law, Public Safety, Corrections, and Security     |                |         |                   |
| Manufacturing                                     |                |         |                   |
| Marketing   |                |         |                   |
| Science, Technology, Engineering, and Mathematics |                |         |                   |
| Transportation, Distribution, and Logistics       |                |         |                   |
