EXPLORING™
DISCOVER YOUR FUTURE

sparty's® pilot shop

Sparty's, the world's largest pilot shop, has been offering high quality aviation products and supplies for more than 50 years. Many of these products are designed in-house by our staff of pilots and tested in our flight school. Our experience as pilots, as educators, as airport managers, as aviation advocates – along with our many other endeavors – affords us a unique qualification to provide only the products and services that are the best value to our customers.

A MESSAGE FROM MICHAEL WOLF, PRESIDENT, SPARTY'S

Since many of us at Sparty's were Boy Scouts, including Hal Shevers, our chairman and founder, Aviation Exploring is at the forefront of Sparty's philanthropic endeavors. But more than funding scholarships, Sparty's has hosted an Exploring post for 20 years at our company headquarters here in Ohio and always encourage our vendors and customers to do the same. At Sparty's, we believe Aviation Exploring is crucial to the future of aviation.

10 Aviation Exploring
scholarships
awarded each year

SUPPORTER

GENERAL

Sparty's Pilot Shop recognizes Exploring as a mutually beneficial program to its own place of business but also to the youth who are the future workforce of America.

GROWTH

Sparty's Pilot Shop encourages other businesses within the aviation industry to contribute to the development of youth by sponsoring an Explorer post or club in their own communities.

FUNDING

Sparty's Pilot Shop makes annual contributions to a scholarship fund for Aviation Explorers who are registered in an Aviation Exploring program.
