NATIONAL EXPLORING LIVE HOUR

The National Exploring Live Hour is a monthly Zoom video conference that will help engage and equip Exploring volunteers and professionals to grow, support, and learn more about Exploring. Each month the National Exploring Live Hour will be led by our National Exploring Program Chair and the National Director of Exploring. The live hours will include sharing best practices and ideas that are happening within our councils, highlighting successful growth campaigns, and inspiring new ideas through various trainings. This will also offer an opportunity for local councils to collaborate with territory and national counterparts to generate innovative solutions to real-life Exploring challenges.
