Charcoal Safety...

The day has come to an end and now your next adventure is cooking some hamburgers for your post's evening meal. Soon, you'll be ready to light a charcoal fire using your choice of approved equipment. However, when using charcoal, it is important to keep in mind that chemical fuels are not permitted for use in Exploring activities.

Charcoal Safety General Info...

Lighting a charcoal fire without using a liquid or gel accelerant is possible. When you light charcoal, it takes less time to prepare your briquettes and is a better way to control your fire output. Here are some tips for lighting your charcoal:

- Instant lighting charcoal ~ This is probably the safest and most feasible for an Explorer. Simply take a match to your charcoal assembly and watch it come ablaze
- Starter cubes ~ These are small blocks or cubes typically made of oil, wax, or quick-burning wood placed within your briquettes
- Homemade fire starters
 - Cardboard egg cartons/toilet paper tubes/newspaper—Any of these will work as a fire starter. Place your briquettes or newspaper inside the carton slots where the eggs would sit or inside a toilet paper tube. Strike a match and light all corners or edges
 - Processed corn chips—You read correctly. Processed corn chips are hydrocarbons (which burn) that are stored in fatty oil (which also burn). Much like starter cubes, you place the chips within and around your charcoal for best results and then light

Charcoal Safety: Fire Safety Reminders

- **Follow manufacturer's product and safety instructions for BBQ Equipment**
- **A knowledgeable adult should provide supervision when Explorers are starting or using fire**
- **Start fires in a safe, outside area**
- **Fires should never be left unattended**
- **Thoroughly extinguish all fires after use**

New Scouting America National Commissioner

Devang Desai Is the New National Commissioner for Scouting America

Journey to Excellence (JTE) unit recognition program to be retired

Effective December 31, 2024, the Journey to Excellence unit recognition program will be retired. Moving forward, metrics for Scouting and Exploring unit success will be seamlessly integrated into unit leader support materials and resources. These metrics will be consistent with those used by the Commissioner corps to support Scouting and Exploring units. This new approach aims to provide a consistent and more streamlined and effective method for evaluating and enhancing unit performance. Feedback from unit leaders and survey results played a crucial role in making this decision. We believe this transition will better support our unit leaders and ultimately improve the experience for all participants as we continue to develop and deliver relevant programs. Units can continue to purchase 2024 Journey to Excellence recognition items through December 31, 2025.

Exploring Quality Guidelines Replacing JTE for Posts & Clubs

Objective: Quality Sustainable Programs

Element	Posts	Clubs
Trained Adult Leaders	Advisor and Committee Chair Trained	Same: Sponsor and Associate Sponsor Trained
Minimum Size	Minimum Membership of 7 Explorers	Same: Minimum Membership of 5 To Register Is Probably Inadequate
Growth	Growth or Maintain Total of 15 Members	Same: A Club With 7 Members is Unlikely to Survive to the Next Year
Youth Officers	Elected and Trained Youth Officers	Optional: Clubs Are Not Required to Have Officers But Could
SuperActivity	Conducted Annually	Optional: A Major Annual Activity Is Not Formally Part of a Club Program, But Could Be a Valuable Enhancement

Proposed Exploring Post Metrics from National Exploring Program Commissioner Dick Davies

Quality Guidelines Leading to Sustainable Effective Explorer Posts

Experienced Exploring volunteers examined characteristics of Posts which maintain successful programs over a period of years while attracting and retaining youth for meaningful multi-year experiences. The following are the first three of five quality guidelines:

1. **Trained Adult Leaders** – Training would be desirable for all adult leaders but at a minimum, the Post Advisor and Committee Chair should complete online training on the basics of running an Explorer Post, including critical youth protection policies. It's easy to appreciate why adult leadership would benefit from an introductory orientation to Exploring.
2. **Minimum Membership of 7** – Posts which start with or can't sustain membership of at least 7 are unlikely to survive to the next year and may lack the critical mass to run exciting, captivating programs. Several Post members are likely to drift away for various reasons during the year and may not show up for additional years in their Post.
3. **Growing Membership (or at Least Maintain 15 Members)** – Growing youth membership is a sign of a healthy Post especially for Posts below 15 in size. At that point, sponsor program resources may be maxed out. Importantly the Post has likely reached the scale to survive natural attrition.

Proposed Exploring Post Metrics from National Exploring Program Commissioner Dick Davies continued

Quality Guidelines Leading to Sustainable Effective Explorer Posts

Experienced Exploring volunteers examined characteristics of Posts which maintain successful programs over a period of years while attracting and retaining youth for meaningful multi-year experiences. The following are the last two of five quality guidelines:

4. **Trained Youth Leaders** – Exploring is a hands-on youth led program with the mentorship and program support of adult advisors. Leadership development is an important element of emphasis of the program. The election of youth officers (or their appointment in the case of some public safety agencies) is an important method of Exploring. It motivates youth to stay involved for multiple years as they move up in the Post and learn important life skills leading teams.
5. **Annual Superactivity** – A Superactivity is the program highlight in a Post's annual activity calendar. It involves special planning and coordination and may involve travel and possibly overnight stays. Examples include a special tour of a major career-oriented site or participation in another Council's Exploring event or competition. A special event of this type makes it more likely the Explorer will return to the Post in the new school year. A Superactivity is important in improving youth retention.

Exploring: Additive to Traditional Programs

Benefits to Local Councils

1. New Sources of Membership Growth

- New entry point in addition to Cubs
- Majority of our members have never been in any other Scouting America Program

2. New Source of Senior Volunteer Recruitment

- Business and civic leaders with no Scouting history
- Candidates specifically interested in high school age youth

3. New Sources of Foundation and Corporate Giving

- Workforce readiness a hot topic for foundations
- Funders looking for “return on investment”

4. School Access and Cooperation

5. Outreach to Economically Challenged and Underserved Diverse Communities (many of these youth have never been in traditional Scouting)

National Exploring Subject Matter Experts & Exploring Resource Associate Advisors

In support to our fourteen Scouting America Council Service Territories (CSTs), formerly National Service Territories (NSTs), our National Exploring Program is currently supporting each CST, along with their territory's councils, with a National Exploring Subject Matter Expert (SME), who serves as that territory's National Exploring Resource Associate Advisor (RAA). As a caveat, we do not presume this role is either formally or informally part of the CST organizational structure but rather a service being made available by the National Exploring Program to each CST and/or their councils. Additionally, we have an National Exploring RAA dedicated to supporting the California Highway Patrol (CHP) and the councils with CHP Law Enforcement Posts as well as the posts themselves

Preface

The purpose of the *Safety First Learning for Life Guidelines* is to prepare adult leaders to conduct safe activities in both the Exploring and Learning for Life Curriculum-Based programs. These guidelines have been established to protect participants from potential hazards. Limitations on certain activities are best described as stepping-stones toward safe and enjoyable adventures.

Adult leaders should be aware of federal, state, or local government regulations that supersede Learning for Life guidelines. All health and safety issues contained within this publication are based on qualified supervision and discipline.

Exploring Youth Training Update

<https://www.scouting.org/training/youth-protection/venturing/>

Barriers to Abuse Update

- As part of our ongoing commitment to abuse prevention, the Boy Scouts of America, to include Exploring, is updating the adult supervision requirements for overnight activities
- This update enhances the minimum “two deep leadership” requirements by additionally requiring every adult present on overnight activities to be a registered member of the Boy Scouts of America or Exploring
- These adults must submit an adult application and registration fee, undergo a criminal background check, a volunteer screening database check and must complete mandatory Youth Protection training.
- A limited exception for parents and legal guardians of Cub Scout youth attending overnight with their children is planned due to the family centric nature of Cub Scouting
- All Cub Scout Packs, Scouts BSA Troops, Venturing Crews, Sea Scouting Ships, Exploring Posts, council, and district overnight programs will be required to comply with this update by September 1, 2023. We encourage early adoption prior to the effective date
- This updated Barrier to Abuse will be referenced as part of the Guide to Safe Scouting, Exploring’s Safety First Guidelines, Youth Protection and Adult Leadership section, Scouting’s Barriers to Abuse. Youth Protection and Barriers to Abuse FAQ’s will be expanded to include additional FAQ’s as they are developed

Example Nomination Write-Up

George Denise completed his Exploring Fast Start training on 1/01/2011 and his most recent position is Service Team Chair for my district since February 2018. He has been involved with every aspect from FOS and volunteer recruitment to membership, product sales, program and unit service. George helped Exploring District achieved significant growth in our FOS campaign and 5% membership growth last year. We are at 61% of our FOS goal for the year, second highest percentage in our council. As we shelter-in-place, he secured a dynamic guest speaker for our Science Night and saved us \$650 in shipping cost in our Make A Mask Challenge. His efforts made it possible for us to donate thousands of pieces of protective medical gear to 7 medical facilities in 2 counties. He supported a 15 year old Scout in the Medical Explorer program whom has wanted to make a difference. What started as a local mask-making challenge turned into a multi-city effort through connections of Scouting friends in Dallas, TX and Orange County, CA to Santa Clara county .

2025 NATIONAL EXPLORING LIVE HOURS

The National Exploring Live Hour is a monthly Zoom video conference that will help engage and equip Exploring volunteers and professionals to grow, support, and learn more about Exploring. Each month the National Exploring Live Hour will be led by our National Exploring Chair and the National Director of Exploring. The live hours will include sharing best practices and ideas that are happening within our councils, highlighting successful growth campaigns, and inspiring new ideas through various trainings.

This will also offer an opportunity for local councils to collaborate with territory and national counterparts to generate innovative solutions to real-life Exploring challenges.

EXPLORING PARTICIPANT POLICY “EP” (18 THROUGH 20 YR OLD EXPLORERS)

***Effective August 1, 2020**, all applicants 18 through 20 years old must complete and submit an adult application, consent to a criminal background check, and successfully complete Youth Protection training.*

*However, an 18- through 20-year-old will still be considered an Adult Exploring Participant in the post and will not be considered an adult leader. **Therefore, an “EP” will not be allowed to fulfill adult leadership roles pertaining to Two-Adult Leadership and other requirements that require leadership to be at least 21 years of age.***

All Exploring Participants “EP” will continue to count as youth within your youth membership reports.

Visit the link below for an infographic as well as a Q & A to assist you in implementing this important new policy.

EXPLORING REGISTRATION FEES

Effective **August 1, 2023**, Exploring fee updates:

- Exploring Youth **\$50.00**
- Exploring Adult Participants (18-20) **\$50.00**
- Exploring Adults **\$50.00**
- Exploring Post/Club Annual Renewal Fee **\$100.00**
- There is no additional “Joining Fee” for Exploring

The updated membership fees will take effect August 1, 2023, for new members in the 2023-2024 program year.

The national membership fee helps cover the cost of essential services, including program resources, liability insurance for those participating in approved Scouting activities, criminal background checks, youth protection, and the development of intellectual property for national, council, and unit programs. As we move forward, we will continue to look at the membership fee structure and how we deliver the Scouting program for future generations.
