### **Membership Growth!**

Did you know that Exploring posted National Membership Growth for the third consecutive year end? As of September 2025, Exploring posted growth for 39 of the last 41 months (as of 9-8-25).

Maybe you grew in Exploring but would like to grow even more, or maybe this is the first time your council has considered Exploring? Either way, Exploring is an excellent pathway to lead your council to membership growth.

### **What is Exploring Explosion 3.0?**

Exploring Explosion 3.0-- is a nationwide Exploring membership campaign focusing on Exploring membership growth, through the training, inspiration, and recognition of all professionals and interested volunteers.

As part of Exploring Explosion 3.0, national coordinated trainings led by the National Director of Exploring and the National Exploring Committee will assist in the following:

1. Teaching the 4 Phases of organizing a new Exploring Club or Post. Participants will learn the "A to Z" of Exploring.
2. Sharing the most valuable resources to help both professionals and volunteers become more confident in growing Exploring.
3. Connecting professionals and volunteers across the country to share best practices while becoming more effective in growing Exploring within their geographic areas. This includes learning from the people who have been the most successful.
4. Offering cool and crazy incentives throughout the campaign.

**All new Exploring Clubs and Posts organized from October 1, 2025, through December 31, 2026, will qualify for the incentives offered during this Exploring Explosion 3.0 campaign.**
