Safety Moment ~ Frostbite*

* Scouting America's Safety Moments = <https://www.scouting.org/health-and-safety/safety-moments/frostbite/>

Frostbite Summary...

Serious injuries can occur when it's cold and you spend time working, playing, or sleeping outside, particularly if you are wet or your clothes are wet or too tight. Explorers should be instructed to inform an adult as soon as possible if they are at an event or outdoor activity and start experiencing any of the symptoms identified in this Safety Moment.

Frostbite General Information ...

- There are four degrees of severity from the cold, ranging from frost nip to frostbite
- The extent of the injury will depend on the individual's length of exposure, outside temperature, wind chill, and how the exposure is treated
- Listed in next two slides from the University of Utah Health Burn Center* are frostbite severities and descriptions of the identification and severity of injury, characteristics, prevention, and treatment guidelines.

Frostbite Identification...

- First-degree frostnip (superficial)—Limited damage to skin, might be painful with no immediate blistering. Wounds will look like a central white area surrounded by pink skin, followed by mild swelling. Immediately remove yourself or someone with these symptoms from the cold and change clothing if needed. Soak the affected area in warm water or use body heat to provide warmth
- Second-degree frostbite (superficial)—This degree affects both the top layer of your skin and slightly deeper into your tissue. Signs are pink and moist tissue present beneath clear blisters, usually surrounded by redness and swelling. Be sure not to rub the affected area because friction might cause more damage to your skin. Take care not to damage the blisters because they are protecting the tissue underneath. Rewarming must begin immediately followed by professional medical care
- Third- or fourth-degree frostbite (deep)—These degrees are dangerous and can lead to damage in muscles, tendons, and bones (fourth degree). Skin feels frozen and hard and appears red, purple, or even black. If left untreated, a development of thick black dead tissue will follow over one to two weeks. Rewarming in this condition will induce critical pain

Frostbite Prevention & Treatment...

- Be prepared: Pack warm clothes and change them frequently, or as needed. At the first signs of redness or pain in any skin area, get out of the cold or protect any exposed skin—frostbite may be beginning
- Act quickly: Frostbite treatment needs to be addressed immediately. The most dangerous situations may occur hours away from a medical professional's help. The first line of treatment is wearing appropriate clothing. Finding shelter to get out of the elements is necessary as well. Eating can also aid in elevating body temperature
- Prevention is key: Layering clothing, socks, gloves, scarves, and hats will help prevent frostbite, while removing layers can help to prevent excess sweating. Change clothing immediately if it becomes wet, including any base layers due to perspiration. Your base layer of clothing should fit loosely enough to allow full blood flow, which is necessary for warmth, and the air space between layers of clothing provides additional insulation against the elements such as cotton and wool material
- If anyone experiences or displays any symptoms of second-, third-, or fourth-degree frostbite, go to the nearest health-care facility immediately. For optimum results, injuries should be examined by a doctor as soon as possible

Exploring Metrics Guidelines Replacing JTE for Posts & Clubs

Objective: Sustainable Programs

Element	Posts	Clubs
Trained Adult Leaders	Advisor and Committee Chair Trained	Same: Sponsor and Associate Sponsor Trained
Minimum Size	Minimum Membership of 7 Explorers	Same: Minimum Membership of 5 To Register Is Probably Inadequate
Growth	Growth or Maintain Total of 15 Members	Same: A Club With 7 Members is Unlikely to Survive to the Next Year
Youth Officers	Elected and Trained Youth Officers	Optional: Clubs Are Not Required to Have Officers But Could
SuperActivity	Conducted Annually	Optional: A Major Annual Activity Is Not Formally Part of a Club Program, But Could Be a Valuable Enhancement

Proposed Exploring Post Metrics from National Exploring Program Commissioner Dick Davies

Guidelines Leading to Sustainable Effective Explorer Posts

Experienced Exploring volunteers examined characteristics of Posts which maintain successful programs over a period of years while attracting and retaining youth for meaningful multi-year experiences. The following are the first three of five quality guidelines:

1. **Trained Adult Leaders** – Training would be desirable for all adult leaders but at a minimum, the Post Advisor and Committee Chair should complete online training on the basics of running an Explorer Post, including critical youth protection policies. It's easy to appreciate why adult leadership would benefit from an introductory orientation to Exploring.
2. **Minimum Membership of 7** – Posts which start with or can't sustain membership of at least 7 are unlikely to survive to the next year and may lack the critical mass to run exciting, captivating programs. Several Post members are likely to drift away for various reasons during the year and may not show up for additional years in their Post.
3. **Growing Membership (or at Least Maintain 15 Members)** – Growing youth membership is a sign of a healthy Post especially for Posts below 15 in size. At that point, sponsor program resources may be maxed out. Importantly the Post has likely reached the scale to survive natural attrition.

Proposed Exploring Post Metrics from National Exploring Program Commissioner Dick Davies continued

Quality Guidelines Leading to Sustainable Effective Explorer Posts

Experienced Exploring volunteers examined characteristics of Posts which maintain successful programs over a period of years while attracting and retaining youth for meaningful multi-year experiences. The following are the last two of five quality guidelines:

4. **Trained Youth Leaders** – Exploring is a hands-on youth led program with the mentorship and program support of adult advisors. Leadership development is an important element of emphasis of the program. The election of youth officers (or their appointment in the case of some public safety agencies) is an important method of Exploring. It motivates youth to stay involved for multiple years as they move up in the Post and learn important life skills leading teams.
5. **Annual Superactivity** – A Superactivity is the program highlight in a Post's annual activity calendar. It involves special planning and coordination and may involve travel and possibly overnight stays. Examples include a special tour of a major career-oriented site or participation in another Council's Exploring event or competition. A special event of this type makes it more likely the Explorer will return to the Post in the new school year. A Superactivity is important in improving youth retention.

The purpose of the *Safety First Learning for Life Guidelines* is to prepare adult leaders to conduct safe activities in both the Exploring and Learning for Life Curriculum-Based programs. These guidelines have been established to protect participants from potential hazards. Limitations on certain activities are best described as stepping-stones toward safe and enjoyable adventures.

Adult leaders should be aware of federal, state, or local government regulations that supersede Learning for Life guidelines. All health and safety issues contained within this publication are based on qualified supervision and discipline.

Exploring Safety First Guidelines Update

On 10 June 2025, National Exploring Director Tim Anderson issued the following direction to all Scouting America Council Scout Executives...

Learning for Life, Exploring, and Scouting America are updating the standard regarding Ride-Alongs for all programs, including but not limited to Law Enforcement Exploring. When youth under 18 years of age participate in Ride-Alongs, all parties involved must adhere to all current Safeguarding Youth policies and guidelines (formerly known as Youth Protection) for all participants. This includes ensuring that at least two registered adult leaders, each 21 years of age or older and trained in Safeguarding Youth or Youth Protection, are present for the Ride-Along. If the Ride-Along includes a female youth participant, at least one of the registered adult leaders participating in the Ride-Along must also be female.

This standard is mandatory and takes effect on June 30, 2025; however, it should be implemented as soon as possible. While we acknowledge that this change may pose challenges in certain Ride-Along scenarios, it must be strictly enforced to guarantee the safety of both our youth participants and adult leaders.

We will update other documents that refer to Ride-Alongs soon. In the meantime, please ensure that your units participating in Ride-Alongs are notified about the standard and its effective date. Additionally, remind the Participating Organization to verify that all adults, including young adult participants (aged 18-20), are current with their Youth Protection Training or promptly complete the Safeguarding Youth training. You may access the training at: <https://www.scouting.org/training/youth-protection/>

Scout Executives, if you have any questions concerning this update, please reach out to us at Exploring@learningforlife.org

Exploring Leadership Experience*

* Coming soon for Exploring participants with expected roll-out in late 2025

Resume Builder that will help recognize Explorers

This online, mentor assisted, self-paced and guided experience will allow our Explorers to...

- Have an opportunity to discover their inner leadership potential
- Gain practical leadership experience – participate in a capstone project
- Work with a mentor to gain professional leadership experience
- Be recognized with a Nationally Certified Leadership Experience Certificate that will help improve their resume and recognize their overall Exploring Experience.

Exploring Leadership Experience Guidebook Update Status

- On 28 October 2025, Tim Anderson (National Director of Exploring) & Roger Engelbart (National Exploring Training Lead) met with Rachel Buchholz (Director, Editorial Operations) & Aaron Derr to discuss the ELE Guidebook Update (which is also tied to the “Introduction to Leadership” ELE Learning Module update)
 - As they discussed, the next step is for Rachel & Aaron to insert the guidebook corrections that they currently have from us and convert the guidebook into a Word document
 - Upon receipt of the updated Word document version of guidebook, we will quickly review it and provide final edits to the guidebook back to Rachel
- After the meeting, Susan Fitzhugh (Sr. Administrative Assistant, LFL/Exploring Program) opened a ticket with Editorial Operations to update of the ELE Guidebook and requested a completion date of 15 December 2025

2025 National Exploring Program Priorities Mapped to Scouting America's 2025 Organizational Goals

2025 National Exploring Priorities mapped to Scouting America's 2025 Organizational Goals

- **Scouting America's 2025 Goal 1: Safeguarding Youth**

- The National Exploring Committee's Health & Safety & YPT Lead will continue to assist the BSA Health and Safety Team in updating the "Exploring Safety First Guidelines" to roll-out updated guidelines NLT Summer 2025.

- **Scouting America's 2025 Goal 2: Membership Growth**

- The National Exploring Committee will work through and with local councils to provide training, resources, and inspiration to help ensure that both volunteers and professionals continue to grow Exploring membership. This will be accomplished through National Exploring Live Hours, Zoom Trainings, and other venues to help teach the four phases of Post/Club organization.
- National Exploring Committee's Training Lead and National Exploring Resource Advisor, in coordination with the National Exploring Program Commissioner, will review and recommend Exploring Program updates to the Scouting America Professional Staff's District Operations Basic Training Modules

- **Scouting America's 2025 Goal 3: Satisfaction Index (VOS)**

- The National Exploring Commissioner will serve as the Exploring Chair on the National Commissioner Service Team and will be working through them to promote the value of the Exploring Program. In addition, the Exploring Commissioner will promote the need for active unit service to our existing Exploring units and provide at least quarterly updates on Exploring to CST Commissioners for further distribution to Councils.
- The National Exploring Program will create an Exploring older youth / young adult organizational structure, approved by the Learning for Life Executive Board, to ensure that Exploring recruits National Youth Officer representation similar to other Scouting America Older Youth Programs.
- The National Exploring Program will continue the reconstitution of the twelve National Exploring Career Committees with a committee chair and committee members to help support our councils with Exploring Career Field Development materials.
- The National Exploring Committee's Training and Awards & Recognition Leads will continue work with the Scouting University point of contact on the incorporation of required updates into the Exploring Leadership Experience (ELE) Guidebook and the associated 13 Leadership Learning Modules to roll-out the recognition program NLT Fall 2025. This project will help provide a Nationally recognized recognition program for our Exploring youth.

2025 National Exploring Priorities mapped to Scouting America's 2025 Organizational Goals continued

- The National Exploring Materials and Literature Lead will...
 - Go through existing photographs on the Exploring Resources page. Select photographs that show good active participation in the activities in each set of the career fields. In Photoshop reduce the size and save in the proper formats for print and web.
 - Enhance the photo resources by contacting existing posts in all fields to submit their written release approved pictures for sharing on the Exploring web site.
 - Remove existing brochures and marketing materials that cannot be easily reproduced by local councils.
 - Replace recruitment brochures, flyers, posters for all career fields with designs that can easily be printed on a large format color copier. Recommend FedEx and UPS office stores for councils without large copier format needed.
 - Create new marketing materials primarily in the form of brochures to assist in developing contact with prospective donors and sponsors of Explorer Posts.
 - Considering a Post, the role of the sponsoring institution and the benefits to youth.
 - Starting a Post, the role of the committee and advisor with support from local councils.
 - Career Exploring the role of the Commissioner in supporting a new post.
 - Supporting an Exploring Post brochure for donors, underwriters, and grants providers.

Scouting America's 2025 Goal 4: Financial Health (Debt Reduction)

- The National Exploring Committee will work through and with local councils to provide training, resources, and inspiration to help ensure that both volunteers and professionals continue to grow Exploring membership. This will be accomplished through National Exploring Live Hours, Zoom Trainings, and other venues to help teach the four phases of Post/Club organization.

Aviation Drone Exploring

Drone Job Opportunities Are Real

There are lots of industries leveraging drones these days—creating a big need for jobs to support the technology too. In fact, [Optics Mag reports](#) that drones are expected to create approximately 103,776 jobs by 2025, which will grow to an estimated \$63.6 billion. Drone operators are needed in fields such as construction, emergency management, entertainment, logistics, surveying and many more.

Organizations Need Services Help

Businesses are in need of drone services. If they don't have internal capabilities, they'll look to vendors or solution providers to help fill that gap. Only about 1/3 of organizations in need of drone services are using internal resources. According to GTIA research, a little more than 1/4 of organizations fully leverage Drone Service Providers (DSPs) to source their needs, while nearly 40% use a combination of in-house and solution providers.

Aviation Drone Exploring

Aviation Drone Exploring is a dynamic new program within the Aviation Exploring Career Field, designed to introduce youth to the exciting world of drone technology and the diverse careers that utilize unmanned aerial systems (UAS). The program is structured to serve two age groups:

- ❖ Clubs for youth ages 10–14
- ❖ Posts for youth ages 14–20

Aviation Drone Exploring

The Aviation Drone Exploring program aims to:

- ❖ Spark interest in aviation and STEM through hands-on drone experiences.
- ❖ Provide career exposure across industries such as public safety, agriculture, media, infrastructure, and more.
- ❖ Develop technical, ethical, and safety competencies in drone operations.
- ❖ Foster mentorship and networking with experts and professionals in drone-related fields.

Terms and Conditions

Welcome to the BSA!

The BSA makes Scouting available to our nation's youth by chartering community organizations to operate Cub Scout packs, Scouts BSA troops, Venturing crews, and Sea Scout ships. The chartered organization provides an adequate and safe meeting place as well as capable adult leadership, and requires adherence to the principles and policies of the BSA. The BSA local and national council provide training, program, outdoor facilities, literature, professional guidance, and liability insurance protection.

Parent/Legal Guardian Role in Scouting

Scouting uses a fun program to promote character development, citizenship training, leadership, and mental and physical fitness. You can help by encouraging attendance, assisting with your child's advancement, attending meetings for parents, and assisting the unit when called upon to help. The unit cannot provide a quality program without your help.

By signing here you agree and accept the Terms and Conditions of the Boy Scouts of America.

Exploring Youth Training Update

<https://www.scouting.org/training/youth-protection/venting/>

Barriers to Abuse Update

- As part of our ongoing commitment to abuse prevention, the Boy Scouts of America, to include Exploring, is updating the adult supervision requirements for overnight activities
- This update enhances the minimum “two deep leadership” requirements by additionally requiring every adult present on overnight activities to be a registered member of the Boy Scouts of America or Exploring
- These adults must submit an adult application and registration fee, undergo a criminal background check, a volunteer screening database check and must complete mandatory Youth Protection training.
- A limited exception for parents and legal guardians of Cub Scout youth attending overnight with their children is planned due to the family centric nature of Cub Scouting
- All Cub Scout Packs, Scouts BSA Troops, Venturing Crews, Sea Scouting Ships, Exploring Posts, council, and district overnight programs will be required to comply with this update by September 1, 2023. We encourage early adoption prior to the effective date
- This updated Barrier to Abuse will be referenced as part of the Guide to Safe Scouting, Exploring’s Safety First Guidelines, Youth Protection and Adult Leadership section, Scouting’s Barriers to Abuse. Youth Protection and Barriers to Abuse FAQ’s will be expanded to include additional FAQ’s as they are developed

2025 NATIONAL EXPLORING LIVE HOURS

The National Exploring Live Hour is a monthly Zoom video conference that will help engage and equip Exploring volunteers and professionals to grow, support, and learn more about Exploring. Each month the National Exploring Live Hour will be led by our National Exploring Chair and the National Director of Exploring. The live hours will include sharing best practices and ideas that are happening within our councils, highlighting successful growth campaigns, and inspiring new ideas through various trainings.

This will also offer an opportunity for local councils to collaborate with territory and national counterparts to generate innovative solutions to real-life Exploring challenges.

EXPLORING UPDATES REMINDERS

Learning for Life & Exploring
National Director Older Youth Programs*

EXPLORING PARTICIPANT POLICY “EP” (18 THROUGH 20 YR OLD EXPLORERS)

Effective August 1, 2020, all applicants 18 through 20 years old must complete and submit an adult application, consent to a criminal background check, and successfully complete Youth Protection training.

However, an 18- through 20-year-old will still be considered an Adult Exploring Participant in the post and will not be considered an adult leader. **Therefore, an “EP” will not be allowed to fulfill adult leadership roles pertaining to Two-Adult Leadership and other requirements that require leadership to be at least 21 years of age.**

All Exploring Participants “EP” will continue to count as youth within your youth membership reports.

Visit the link below for an infographic as well as a Q & A to assist you in implementing this important new policy.

<http://filestore.scouting.org/filestore/se-packet/2020-08-10/Exploring-Participant-Policy-FINAL-2.pdf>

EXPLORING REGISTRATION FEES

Effective August 1, 2023, Exploring fee updates:

- Exploring Youth \$50.00
- Exploring Adult Participants (18-20) \$50.00
- Exploring Adults \$50.00
- Exploring Post/Club Annual Renewal Fee \$100.00
- There is no additional “Joining Fee” for Exploring

The updated membership fees will take effect August 1, 2023, for new members in the 2023-2024 program year.

The national membership fee helps cover the cost of essential services, including program resources, liability insurance for those participating in approved Scouting activities, criminal background checks, youth protection, and the development of intellectual property for national, council, and unit programs. As we move forward, we will continue to look at the membership fee structure and how we deliver the Scouting program for future generations.

Exploring Training

A group of diverse young people are gathered in a classroom or lecture hall. In the foreground, a young man in a grey hoodie is looking towards the right. Behind him, several other students are visible, some looking towards the front of the room. The background is slightly blurred, showing what appears to be a presentation screen or a chalkboard. The overall atmosphere is one of a typical classroom or educational setting.

A group of young people in Exploring uniforms, including shirts with the Exploring logo and caps, are standing together outdoors. They appear to be at a camp or a similar outdoor setting. The background is slightly blurred.

Leads are being generated from Exploring.org and include anyone interested in joining, leading, sponsoring, or otherwise supporting Exploring in their area.

Scout Executives, Assistant Scout Executives and DFS's receive weekly lead reports.

Exploring Executives and staff advisors receive immediate notifications of each lead generated.

To make changes to any of these settings, email your request to exploring@lflmail.org.

WHEN YOU RECEIVE AN IMMEDIATE NOTIFICATION EMAIL:

1. In the email, you will see a note to “*copy & paste the following URL into your browser to mark lead as contacted*”.
2. By following this directive, you are changing the status of your lead to “contacted”. You will no longer receive email notifications for that particular lead. The lead will begin to show as “contacted” on your SE’s weekly report.
3. Invite the person to attend an existing post/club meeting to get a feel for the program and connect them to appropriate Exploring advisors.

The screenshot shows a web browser window for the Boy Scouts of America Exploring program. The title bar reads "Join Exploring | Boy Scouts of Am" and the URL is "https://joinexploring.org". The page features a large banner image of three young people working on a car's undercarriage. The Boy Scouts of America logo is in the top left. The main title "EXPLORING™" is in large white letters, with "DISCOVER YOUR FUTURE" in smaller white letters below it. A white call-to-action box contains a "Find Exploring Near You" section with a ZIP code search field, "Exploring Post" and "Exploring Club" buttons, and links for "Age 14-20" and "Grade 6-8". Below this is a "Click here for the BSA outside the U.S." link. The bottom of the screen shows a Windows taskbar with various icons and a system tray with the date and time (6:19 PM, 8/18/2021).

Terms and Conditions

Welcome to the BSA!

The BSA makes Scouting available to our nation's youth by chartering community organizations to operate Cub Scout packs, Scouts BSA troops, Venturing crews, and Sea Scout ships. The chartered organization provides an adequate and safe meeting place as well as capable adult leadership, and requires adherence to the principles and policies of the BSA. The BSA local and national council provide training, program, outdoor facilities, literature, professional guidance, and liability insurance protection.

Parent/Legal Guardian Role in Scouting

Scouting uses a fun program to promote character development, citizenship training, leadership, and mental and physical fitness. You can help by encouraging attendance, assisting with your child's advancement, attending meetings for parents, and assisting the unit when called upon to help. The unit cannot provide a quality program without your help.

By signing here you agree and accept the Terms and Conditions of the Boy Scouts of America.
