Poison Control Centers...

America's Poison Centers, the nation's expert resource for poison and drug guidelines, has provided urgently needed information and treatment advice to millions of people for decades. The Poison Help hotline—1-800-222-1222—has been included in the Scouts BSA Handbook for almost as long. The website [PoisonHelp.org](https://www.poisonhelp.org) is another resource developed by America's Poison Centers where one can get help and information online

Poison Control Centers General Info...

- Founded in 1958 as the American Association of Poison Control Centers (AAPCC), America's Poison Centers represents 55 poison control centers nationwide. This group provides vital information and advice for the entire U.S. population each year, 24 hours a day. Public contact is made every eight seconds
- Poisoning is one of the leading causes of injury-related deaths in the United States, and the rate of these fatalities increases every year
- Questions posed to the Poison Help hotline via the website PoisonHelp.org or by phone are answered by a team of nurses, pharmacists, and doctors with special training on how to manage poisonings. These professionals are there to immediately answer questions and to recommend the best next steps if someone has been exposed to poison or a potentially poisonous product or medication. These services are free and confidential
- Advisors and Explorers can use PoisonHelp.org anytime there is a question of exposure to a potentially poisonous agent at an event, on the road, at home, or at a meeting site. A key part of being prepared in a case of poisoning is having quick access to reliable, lifesaving information, and there are now two ways to get it:

National Exploring Subject Matter Experts & Exploring Resource Associate Advisors

In support to our fourteen Scouting America Council Service Territories (CSTs), our National Exploring Program is currently supporting each CST, along with their territory's councils, with a National Exploring Subject Matter Expert (SME), who serves as that territory's National Exploring Resource Associate Advisor (ERAA). As a caveat, we do not presume this role is either formally or informally part of the CST organizational structure but rather a service being made available by the National Exploring Program to each CST and/or their councils. Additionally, we have a National ERAA dedicated to supporting the California Highway Patrol (CHP) and the councils with CHP Law Enforcement Posts as well as the posts themselves

What is Exploring Explosion 3.0 ?

Exploring Explosion 3.0 is a nationwide Exploring membership campaign focusing on Exploring membership growth through the training, inspiration, and recognition of all professionals and interested volunteers.

As part of Exploring Explosion 3.0, national coordinated trainings led by the National Director of Exploring and the National Exploring Committee will assist in the following:

1. Teaching the 4 Phases of organizing a new Exploring Club or Post. Participants will learn the “A to Z” of Exploring.
2. Sharing the most valuable resources to help both professionals and volunteers become more confident in growing Exploring.
3. Connecting professional and volunteers across the country to share best practices while becoming more effective in growing Exploring within their geographic areas. This includes learning from the people who have been the most successful.
4. Offering cool and crazy incentives throughout the campaign.

All new Exploring Clubs and Posts organized from October 1, 2025, through December 31, 2026, will qualify for the incentives offered during this Exploring Explosion 3.0 campaign.

**Exploring Membership
Growth Approach
Beta-Test ~
“The Exploring Career
Opportunities (ECO) System”**

“The ECOsystem” Beta Test

From Scot Fuller, Deputy Scout Executive/COO, Longhorn Council.

I wanted to invite you to participate in a beta test for an innovative program delivery system designed to produce sustainable membership growth through strategic partnerships with school districts. This has worked in a school district, and we wanted to see if this is replicable in other areas in the country. I am looking for a few other councils with a mindset of trying new things to participate with the Longhorn Council so we can share learning experiences with each other. This beta test leverages key partnerships to empower youth from Kindergarten to High School with college and career readiness. Here's the short of what we are looking to do:

1. **Supercharge CTE Programs with Exploring (The ECOsystem):**
 - a. **Integration:** Exploring is seamlessly integrated into school district CTE programs.
 - b. **Community Support:** Supported by local service clubs such as Rotary, Optimists, Kiwanis, Lions, and Elks essentially becoming a quasi-Service Team for the Exploring program.
 - c. **Streamlined Operations:** Requires only one dedicated Council Exploring Professional working alongside a volunteer Exploring Chair and a committee of Exploring Liaisons from local service clubs.
2. **Build Council Credibility and Introduce Character Education Programs:**
 - a. **Scouting America** partners with school districts and community organizations to prepare youth for college and career readiness through a proven, integrated, age-appropriate series of programs from Kindergarten to High School.
 - b. **Cub Scouts:** Character education supporting families and elementary school teachers.
 - c. **Scouts BSA:** Leadership skills and support for middle school teachers.
 - d. **Venturing:** Character education supporting high school outdoor education programs.

“The ECOsystem” Beta Test continued

How to Participate:

Let me know if you want to learn more about this beta test. We are going to have several upcoming opportunities to talk through this and see if this makes sense for you and your council.

Exploring Social Media & Growth Strategy

A field-ready approach for helping councils make Exploring visible, understandable and easy to join.

Core idea

Exploring is a growth opportunity hiding in plain sight.

Current Scouts should know it exists.

New youth should know they can join.

Partners should see the workforce-development value.

01

What Exploring gives councils

Exploring connects youth with real career experiences, mentors and leadership opportunities — while giving councils a growth lane.

MEMBERSHIP

A growth pathway for older youth

Current Scouts can add Exploring; new youth can enter through career interests.

PARTNERS

A stronger community relevance story

Employers, cities, hospitals, airports and schools can see themselves in the work.

FUNDING

A workforce-development frame

Foundations and grants often respond to career readiness, mentorship and future workforce outcomes.

Internal framing: Exploring can support both mission impact and council growth. Public framing should emphasize opportunity, mentorship and workforce readiness.

Two audiences councils must reach

Exploring is both a next step for current Scouts and a front door for youth new to Scouting America.

Current Scouts + families

“You can be in Scouts BSA and Exploring.”

- Retain older youth
- Connect merit badge interests to careers
- Help families see what comes next

New youth + families

“You do not have to be a Scout to join.”

- Low-barrier entry point
- Career-specific appeal
- Relevant to schools, cities and employers

Promote Exploring where the audience already is

For most councils, the best first move is not a new account. It is consistent promotion on the main council channels.

Main council channels should carry the message:

- Facebook + Instagram for families, youth and volunteers
- LinkedIn for executives, partners, donors and civic leaders
- Email/newsletters for current Scouts BSA, Venturing and Sea Scout families
- Council website as the official conversion hub

Avoid the trap:

“We created a separate Exploring account, posted twice, and wondered why nobody joined.”

Dedicated accounts are optional
— not the starting point.

The hub-and-spoke model

Each channel has a job. Together, they create awareness, proof and conversion without creating unnecessary work.

Best line for councils: collect, approve, amplify and direct people to the right next step.

What councils should post

The strongest Exploring content shows real career discovery, not generic “join” graphics.

Career Test Drive: show real skills in action

Current Scouts: “Explore what’s next”

Non-Scouts: “You can join, too”

Partner Spotlight: thank mentors and organizations

Youth + Mentor Voice: quotes, Q&As and outcomes

Workforce Development: LinkedIn and partner growth

Rule of thumb: show what Explorers actually do and connect it to the future they are building.

The 30-minute monthly SOP

The goal is a simple system that turns real activities into repeatable content.

1 Ask each active post for one monthly content package

3–5 photos, one short vertical video, date/location and two sentences.

2 Turn it into three assets

Feed post, Story/Reel and LinkedIn partner/workforce post.

3 Use the same caption formula

What happened, what skill was learned, why it matters and how to join/start a post.

4 Post one Exploring story per week

Start small. Consistency beats complexity.

Same story, different emphasis

Adapting the message by platform helps councils speak to the right audience without reinventing the content.

Facebook

Parents, volunteers and community members: safety, mentorship and local opportunity.

Instagram/Reels

Youth and families: show the action, energy and hands-on experience.

LinkedIn

Executives and partners: workforce development, career pathways and future talent.

Email/newsletters

Current Scouting families: “You can be in Scouts BSA and Exploring.”

Two lines should appear often: current Scouts can join Exploring, and you do not have to be a Scout to join Exploring.

Governance makes this safe and sustainable

Simple rules protect youth, protect councils and prevent orphaned accounts.

- Use public-facing channels for program promotion — not private youth communication
- Maintain at least two approved adult admins and council awareness of account ownership
- Keep youth photo/video permissions current
- No private adult-to-youth DMs
- Monitor comments and establish an admin transfer plan

Governance is not a barrier. It is what makes councils comfortable promoting Exploring consistently.

The 90-day activation plan

Inventory, capture, publish and recruit — then repeat.

MONTH 1

Inventory + update the hub

List active posts, partner accounts, inquiry forms and website needs.

MONTH 2

Capture + publish weekly

Collect content packages and post one Exploring story per week.

MONTH 3

Recruit youth + partners

Promote to current Scouts, non-Scouts and LinkedIn workforce partners.

Immediate next step: pick three active posts, collect one content package from each and schedule four Exploring posts on the main council channels this month.

Leads are being generated from Exploring.org and include anyone interested in joining, leading, sponsoring, or otherwise supporting Exploring in their area.

Scout Executives, Assistant Scout Executives and DFS's receive weekly lead reports.

Exploring Executives and staff advisors receive immediate notifications of each lead generated.

To make changes to any of these settings, email your request to exploring@lflmail.org.

WHEN YOU RECEIVE AN IMMEDIATE NOTIFICATION EMAIL:

1. In the email, you will see a note to *"copy & paste the following URL into your browser to mark lead as contacted"*.
2. By following this directive, you are changing the status of your lead to "contacted". You will no longer receive email notifications for that particular lead. The lead will begin to show as "contacted" on your SE's weekly report.

Journey to Excellence (JTE) unit recognition program to be retired

Effective December 31, 2024, the Journey to Excellence unit recognition program will be retired. Moving forward, metrics for Scouting and Exploring unit success will be seamlessly integrated into unit leader support materials and resources. These metrics will be consistent with those used by the Commissioner corps to support Scouting and Exploring units. This new approach aims to provide a consistent and more streamlined and effective method for evaluating and enhancing unit performance. Feedback from unit leaders and survey results played a crucial role in making this decision. We believe this transition will better support our unit leaders and ultimately improve the experience for all participants as we continue to develop and deliver relevant programs. Units can continue to purchase 2024 Journey to Excellence recognition items through December 31, 2025.

Exploring Metrics Guidelines Replacing JTE for Posts & Clubs

Objective: Sustainable Programs

Element	Posts	Clubs
Trained Adult Leaders	Advisor and Committee Chair Trained	Same: Sponsor and Associate Sponsor Trained
Minimum Size	Minimum Membership of 7 Explorers	Same: Minimum Membership of 5 To Register Is Probably Inadequate
Growth	Growth or Maintain Total of 15 Members	Same: A Club With 7 Members is Unlikely to Survive to the Next Year
Youth Officers	Elected and Trained Youth Officers	Optional: Clubs Are Not Required to Have Officers But Could
SuperActivity	Conducted Annually	Optional: A Major Annual Activity Is Not Formally Part of a Club Program, But Could Be a Valuable Enhancement

Exploring Youth Training Update

Most Common Question

“I’m starting a new post specializing in X. I need a sample program to show to the organization head. Where do I get it?”

“All-in-One” Program planning session with Post Committee during formation of the unit.

“AI” Example

“I am working to develop a program appealing to high school students interested in civil engineering careers. This would be an Explorer Post within Scouting America's Exploring Program. Please develop a list of 20 hands-on activities which could be offered by an engineering firm specializing in designing railroad construction projects.”

These activities can be adapted depending on available resources—some with **low-cost classroom experiments**, others with **engineering software**, and a few with **field visits** for maximum engagement.

Would you like me to **sequence these into a 6–12 month Explorer Post program calendar** (progressing from fundamentals to advanced projects), or keep it as a menu of standalone activities?

Drone Job Opportunities Are Real

There are lots of industries leveraging drones these days—creating a big need for jobs to support the technology too. In fact, [Optics Mag reports](#) that drones are expected to create approximately 103,776 jobs by 2025, which will grow to an estimated \$63.6 billion. Drone operators are needed in fields such as construction, emergency management, entertainment, logistics, surveying and many more.

Organizations Need Services Help

Businesses are in need of drone services. If they don't have internal capabilities, they'll look to vendors or solution providers to help fill that gap. Only about 1/3 of organizations in need of drone services are using internal resources. According to GTIA research, a little more than 1/4 of organizations fully leverage Drone Service Providers (DSPs) to source their needs, while nearly 40% use a combination of in-house and solution providers.

Exploring Youth Training Update

<https://www.scouting.org/training/youth-protection/venturing/>

Barriers to Abuse Update

- As part of our ongoing commitment to abuse prevention, the Boy Scouts of America, to include Exploring, is updating the adult supervision requirements for overnight activities
- This update enhances the minimum “two deep leadership” requirements by additionally requiring every adult present on overnight activities to be a registered member of the Boy Scouts of America or Exploring
- These adults must submit an adult application and registration fee, undergo a criminal background check, a volunteer screening database check and must complete mandatory Youth Protection training.
- A limited exception for parents and legal guardians of Cub Scout youth attending overnight with their children is planned due to the family centric nature of Cub Scouting
- All Cub Scout Packs, Scouts BSA Troops, Venturing Crews, Sea Scouting Ships, Exploring Posts, council, and district overnight programs will be required to comply with this update by September 1, 2023. We encourage early adoption prior to the effective date
- This updated Barrier to Abuse will be referenced as part of the Guide to Safe Scouting, Exploring’s Safety First Guidelines, Youth Protection and Adult Leadership section, Scouting’s Barriers to Abuse. Youth Protection and Barriers to Abuse FAQ’s will be expanded to include additional FAQ’s as they are developed

EXPLORING UPDATES REMINDERS

Tim Anderson

*National Director
Learning for Life & Exploring
National Director Older Youth Programs*

EXPLORING PARTICIPANT POLICY

“EP” (18 THROUGH 20 YR OLD EXPLORERS)

***Effective August 1, 2020**, all applicants 18 through 20 years old must complete and submit an adult application, consent to a criminal background check, and successfully complete Youth Protection training.*

*However, an 18- through 20-year-old will still be considered an Adult Exploring Participant in the post and will not be considered an adult leader. **Therefore, an “EP” will not be allowed to fulfill adult leadership roles pertaining to Two-Adult Leadership and other requirements that require leadership to be at least 21 years of age.***

All Exploring Participants “EP” will continue to count as youth within your youth membership reports.

Visit the link below for an infographic as well as a Q & A to assist you in implementing this important new policy.

<http://filestore.scouting.org/filestore/se-packet/2020-08-10/Exploring-Participant-Policy-FINAL-2.pdf>

EXPLORING REGISTRATION FEES

Effective **August 1, 2023**, Exploring fee updates:

- Exploring Youth **\$50.00**
- Exploring Adult Participants (18-20) **\$50.00**
- Exploring Adults **\$50.00**
- Exploring Post/Club Annual Renewal Fee **\$100.00**
- There is no additional “Joining Fee” for Exploring

The updated membership fees will take effect August 1, 2023, for new members in the 2023-2024 program year.

The national membership fee helps cover the cost of essential services, including program resources, liability insurance for those participating in approved Scouting activities, criminal background checks, youth protection, and the development of intellectual property for national, council, and unit programs. As we move forward, we will continue to look at the membership fee structure and how we deliver the Scouting program for future generations.

Intentionally Providing a Pathway to Exploring Growth and Strategic Planning In Your Council

“Action Planning”

The Beginning of your Strategic Plan

The foundation of your plan will begin here

12 Keys To Success

1. Recruit a council Exploring volunteer chair and committee

Terms and Conditions

Welcome to the BSA!

The BSA makes Scouting available to our nation's youth by chartering community organizations to operate Cub Scout packs, Scouts BSA troops, Venturing crews, and Sea Scout ships. The chartered organization provides an adequate and safe meeting place as well as capable adult leadership, and requires adherence to the principles and policies of the BSA. The BSA local and national council provide training, program, outdoor facilities, literature, professional guidance, and liability insurance protection.

Parent/Legal Guardian Role in Scouting

Scouting uses a fun program to promote character development, citizenship training, leadership, and mental and physical fitness. You can help by encouraging attendance, assisting with your child's advancement, attending meetings for parents, and assisting the unit when called upon to help. The unit cannot provide a quality program without your help.

By signing here you agree and accept the Terms and Conditions of the Boy Scouts of America.

2026 NATIONAL EXPLORING LIVE HOUR (Monthly)

The National Exploring Live Hour is a monthly Zoom video conference that will help engage and equip Exploring volunteers and professionals to grow, support, and learn more about Exploring. Each month the National Exploring Live Hour will be led by our National Exploring Program Chair and the National Director of Exploring. The live hours will include sharing best practices and ideas that are happening within our councils, highlighting successful growth campaigns, and inspiring new ideas through various trainings. This will also offer an opportunity for local councils to collaborate with territory and national counterparts to generate innovative solutions to real-life Exploring challenges.

National Exploring Live Hour Schedule

1:00 PM – 2:00 PM Central Standard Time, Monthly

Register for each of the National Exploring Live Hour ZOOM presentations at:
